Dear Xiaotian,

In reviewing the SEVIS database today we discovered that the reason for your SEVIS termination record was changed this morning to:

**TERMINATION REASON: OTHER - Individual identified in criminal records check and/or has had their VISA revoked. SEVIS record has been terminated.**

I am hearing from other schools that they are seeing this same change in terminated student record. The "otherwise failing to maintain status" notation no longer appears in the SEVIS record

I know you are working with outside immigration counsel and so I recommend you share this update with them.

Please be sure to reach out to the International Student Experience Office for support during what I am certain is an extremely stressful and difficult time. And Dartmouth Student Health Service at Dick's House can also offer support:
